Evolution

The deception of evolution is part of the religion of Theosophy that was created by Lucifer. Theosophy teaches that humans must die and then reincarnate which allows humans to evolve into higher beings or spirits that will ascend into outer space to live. Theosophy tells us that Darwin was not exactly correct and evolution happens through reincarnation. Even though the theory of evolution given by Darwin is not what Theosophy teaches, Darwin's theory is still used by the N.W.O.

The N.W.O. teaches Darwin's theory of evolution for several reasons. They use it to try and destroy Christianity and what the Bible teaches. They also teach Darwin's theory of evolution to slowly introduce the concepts of Theosophy to the world until the N.W.O. finally reveals their one world religion which will likely just be Theosophy.

Evolution also facilitates other aspects of the N.W.O. strategy. It gives us a false timeline that is billions of years old and the N.W.O. use that long time period to trick us into believing that the world's energy resources are finite. Oil and coal are renewable. Oil can be made in one hour and coal can be made in one week. Both are made using vegetation and heat that can be supplied by any number of energy sources including wind or solar. They want you to think it takes a lifetime to make oil or coal so you won't use oil or coal. The present deposits of oil and coal on our planet are far in excess of what we need and use today and in the projected future. Oil and coal are renewable and Co2 is harmless and beneficial to the Earth and life on Earth. More about Co2 can be found in the Environment course.

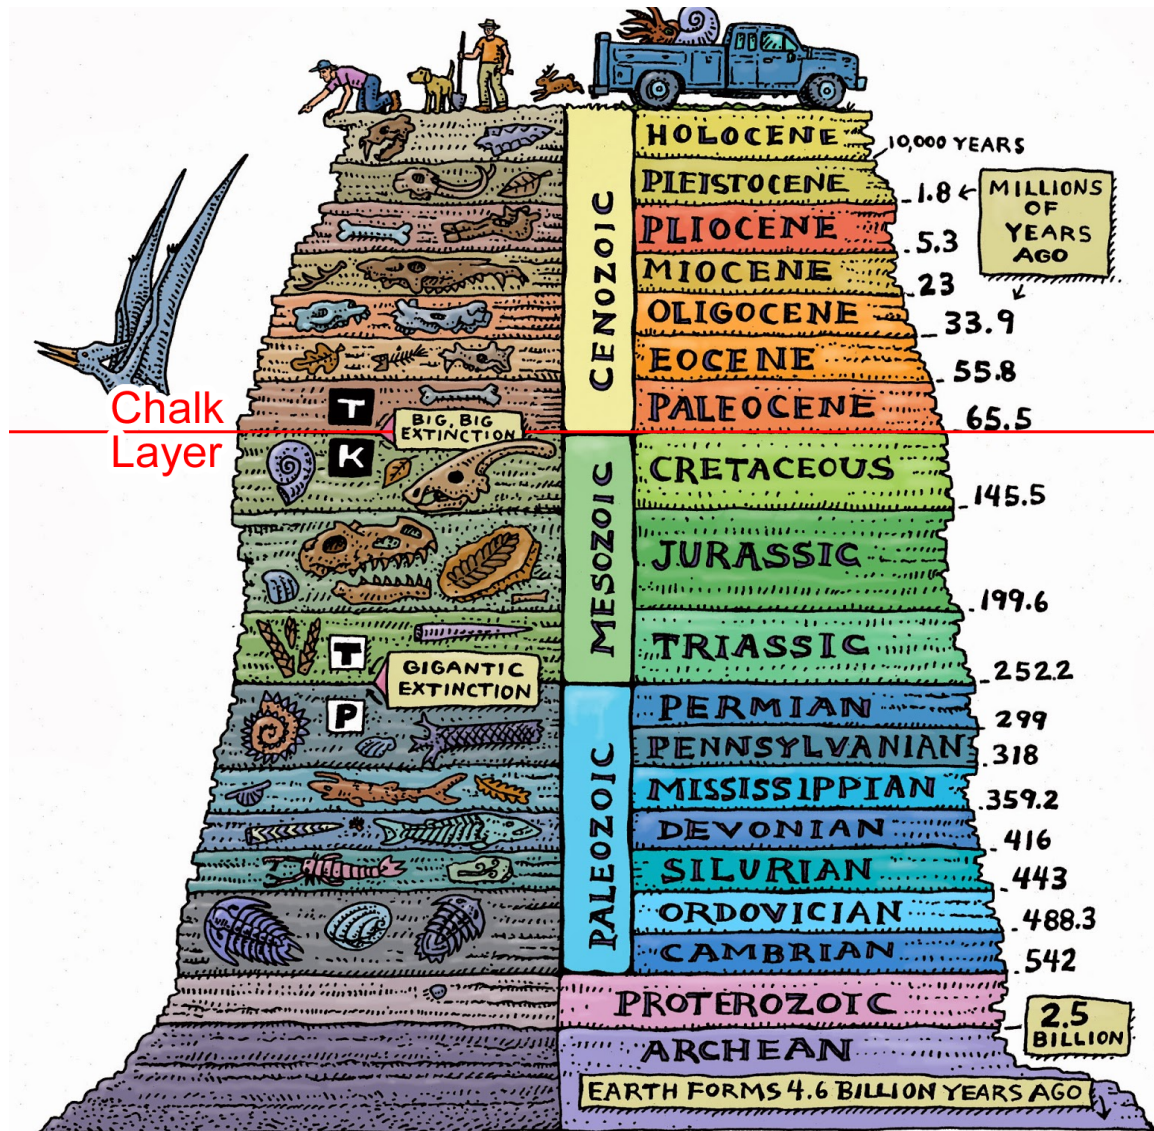

The theory of evolution was also important during World Wars One and Two where it helped form part of Hitler's philosophy and also Communism. The World Wars are admitted parts of the N.W.O. plan and Theosophy tells us that Communism is a result of their ray energy being misused by human dictators which makes Communism part of their N.W.O. plan. Theosophy is a deception created to be part of their N.W.O. plan and the rays claimed to be responsible for creating dictators are also a deception which makes Communism a deception and part of the N.W.O. plan.

Dinosaurs

Dinosaurs existed during the time before the flood of the Earth and Noah's Ark. Their kind appears to have existed with adaptations after the flood as well. There are large and dangerous animals on Earth this very day. Why should it be so unbelievable that dinosaurs were here coexisting with humans? The evidence clearly shows dinosaurs existed with humans.

There is what you can consider a silver bullet that destroys the theory of evolution with one single fact. There is a chalk layer (cretaceous layer) all around the world on the same layer which proves the entire world was under water at the same time. It is the third layer down with ten layers of fossils below it. The layers of fossils below the chalk layer contain land animals and birds. That means the land animals and birds would have all

died so how did evolution start over again? According to their own theories there wouldn't be enough time for evolution to take place and there is no fossil evidence of evolution above the chalk layer or on any layer. More about the chalk layer can be found in the evolution course.

But maybe that's not good enough. How about a second silver bullet that made one evolutionist so upset that he had to destroy the evidence. Can you imagine the lack of scientific integrity a person has to have if they destroy evidence just because it proves evolution wrong and God to be real? If you don't like God just reject Him, you have freedom of choice you don't have to make up lies and spread them all around the world just to hate God. What was the proof? A human footprint found inside a dinosaur footprint. You may have heard of a hoax that happened with someone carving a fake footprint to make money through tourism but that was a different footprint. We don't need to rely on hoaxes we have real evidence. Fortunately the footprint was studied and

documented extensively before it was destroyed. More about that footprint and other human footprints mixed with dinosaur footprints can be found in the evolution course.

Below is another example of a human and dinosaur footprint mixed together. It is not the one that was destroyed.

Aliens

There are no aliens that are coming to Earth. If there are any beings claiming to be aliens it is Lucifer and the fallen angels. The false religion of Theosophy teaches that there are beings in outer space that are part of the spiritual hierarchy or beyond as higher initiates. They also tell us that they are coming here to Earth. If there is any other life in this universe it will not be allowed here because we are tainted by evil and cut off from God and all other life that has not fallen through knowledge of evil.

It is likely that Lucifer and the fallen angels will stage a fake alien invasion because they tell us they are planning to externalize their hierarchy of spirits so that they can be accepted and mingle freely with humans. That means they are going to show themselves to us very soon in the future. There is also one source who is a former member of a secret society named Roger Morneau and he tells us there is a false alien invasion planned as part of the N.W.O. strategy. Roger Morneau said that Lucifer and the fallen angels will pose as inhabitants from far off planets who have come to Earth to save our planet.

The Holy Trinity

God tells us that He is a Holy Trinity made of three distinct persons that are equal and one with each other. Those three distinct persons are called the Father, the Son of God, and the Holy Spirit. This is what God tells us in the Bible and it does not contradict the prophecies and is even part of the prophecies so it is true. The phrase 'Holy Trinity' is not used in the Bible. It is a name coined by humans to name the Being described to us in God's description of Himself.

Let's consider why the Holy Trinity is very difficult to understand. First, you can't experience it yourself so you can't understand it through direct experience by becoming a Holy Trinity. Second, no other being has experienced it so they can't tell you about it. All we have is what the Bible tells us. But this is not a problem because our difficulty in fully understanding what type of being God is doesn't change anything. The proof that He is God still stands and it is not dependant on us fully understanding how the Holy Trinity can be one and three at the same time. When you meet God you can ask Him to explain more. We have greater problems to solve here on Earth.

God's Names

God has different names because there are different languages and also because He is a Trinity. The Father of the Holy Trinity is named Yahweh or Jehovah depending on what language is being spoken and the Son of God is named Yeshua or Jesus depending on the language spoken. The Holy Spirit is named the Holy Spirit or the Holy Ghost.

The Incarnation

The Bible tells us that Jesus is the Son from the Holy Trinity. This means that Jesus is God because He is part of the Holy Trinity. God has existed from forever and has always existed. Therefore, Jesus is not a created being. The Jesus from the Holy Trinity is the same Jesus talked about in the Bible who was from Nazareth and who was from the tribe of Judah.

The Incarnation was the time when God the Son (Jesus) came to Earth and set aside His divine powers to be fully human and live as we do. He was born into human form from a virgin woman and lived 33 years in human form. There is a very important reason why Jesus lived as fully human until he was crucified. That topic is explained below in the topic about His crucifixion.

A point of confusion exists for some people because Jesus did come to Earth to live as a human. At that time He was born as a male human from a virgin mother without a human father. Because Jesus was born a male human He is a son to His mother and Father. And because Jesus has no human father and was conceived by the Holy Spirit of God, that makes Jesus God's Son. Or more specifically, God's only begotten Son. Jesus was the only being created through God and a human woman. No other being was born that way. Adam was created by God from dust. Eve was created by God using Adam's rib bone. All others were born of two humans. Angels were created before humans existed by God's spoken word. Yahweh (God the Father) and the Holy Spirit were not born of a human woman during their existence so they are not sons. Jesus is God's only begotten Son because when the incarnation took place Jesus was brought into existence by parents which makes him begotten by God Himself and the only Being Ever to exist that was begotten by God.

Jesus Was Not Born On Christmas

The Bible does not give us the day that Jesus was born because it is not important. Christmas is just another day that has its origin in Luciferian doctrine and is disguised as being Christian. Even though the Bible does not give us the day Jesus was born, it gives us the season He was born and it is not winter. The Bible also condemns Christmas trees and Christmas observance as Luciferian practice.

The Christ

The title 'Christ' means High Priest, or Anointed. Anointing is the ritual of becoming the high priest by pouring oil onto the forehead of a person. Jesus was the High Priest of the Bible or 'The Christ' and we call Him 'Jesus Christ' (Jesus the High Priest). The followers of the Christ (the High Priest) are called Christians. Christ-ians.

The name Christianity started with the followers of Jesus Christ who were called Christians. It wasn't a new religion. Jesus is the same God from the Old Testament. It was Jesus who created the universe during creation week simply by speaking. The Jews rejected Jesus even though they were His chosen people that's why there is a separation between the Jews and Christians but they are similar in some ways. Lucifer is always trying to infiltrate and corrupt God's people and the Jews were infiltrated and corrupted by the time Jesus was born.

God's Original Plan of Creation: Create Angels and Humans for His Glory

Heaven and Angels Were Created First

God created Earth and all the life forms on Earth approximately 6000 years ago during creation week. The angels were created before humans on day 1 or 3. Adam was created on day six.

God Created the Universe, the Earth and Humans 6000 Years Ago

God created the Universe 6000 years ago and all the life in it for His glory. That means He created everything for His enjoyment and happiness just like you create things to enjoy and to make you happy.

Angels and Humans

Angels and humans are similar to each other but they have some very big differences. Angels are all masculine and cannot reproduce with each other. Humans were created with the intention for them to marry and reproduce. Humans were immortal at the time of creation. Humans have become mortal since the time when Adam and Eve sinned. Angels are still immortal. Angels can be invisible and talk to one another without you hearing them. They also have other abilities.

There are still good angels in heaven that did not rebel against God. Do not concern yourself with speaking to angels because it is dangerous. Speak to Jesus, He is God and can hear your thoughts and you can trust Jesus.

Free Will of Choice

God created angels and humans with the freedom to choose to obey his laws or to disobey them. Disobedience to God's law is called sin. Sin is separation from God and results in physical and spiritual death.

You were not given a choice about being created before you were born. You have the choice of being restored to an immortal state and to have your knowledge of evil removed by God or you can choose to be destroyed permanently in a lake of fire if you don't want to live forever in paradise. God does not want to force anyone to do anything so He lets us choose for ourselves. God created you and you get to choose if you wish to remain in existence or not. When you were conceived your name was written in the Book of Life and it remains there unless you decide to remove it by separating yourself from God by rejecting Him.

Lucifer Entices Adam and Eve to Sin and Mankind Becomes Mortal

Adam and Eve on Earth

On Earth, God told Adam and Eve to have children and populate the Earth and God also gave Adam and Eve dominion over the Earth and the animals. They all lived together happily without knowing evil or death. God gave Adam and Eve one rule: don't eat the fruit of the tree of knowledge of good and evil.

Lucifer and the Fallen Angels

Lucifer was created by God as a Cherub (a type of angel) and he was the first to sin before any angel or human by deciding to place himself in God's position. Lucifer decided he wanted to receive worship from the other angels as God does and he started a rebellion by telling other angels that God was unfair. Finally there was a war in heaven and Lucifer and his followers lost. The consequence was Lucifer's expulsion from heaven and he was sent down to Earth with his followers the fallen angels.

Lucifer Tricked Adam and Eve into Sinning So God Changed Lucifer's Name to Satan

Lucifer tricked Adam and Eve into sinning by making them think that it was okay to eat the fruit from the tree of knowledge of good and evil. When Adam and Eve ate the fruit from the forbidden tree they committed sin and became separated from God. They now had knowledge of good and evil and the consequences of their sin was to lose their immortality. They eventually died. Every generation since Adam and Eve has been tainted by the knowledge of good and evil but we still have the freedom to choose not to

commit evil acts and to follow God's rules. To make things worse, Lucifer (Satan) is still alive on Earth trying to make us sin again and again.

Satan and Lucifer Are the Same Person

God changed Lucifer's name to Satan after Lucifer tempted Adam and Eve into sinning. The name Satan means adversary. God changed Lucifer's name to Satan because Lucifer is your adversary. The name Lucifer means Light Bearer.

Life Is A Choice Not A Test

Life is a choice not a test. Unless Jesus raises you from the dead, you will remain dead. Nobody can become immortal on their own.

If life was a test it would mean that you could make it to immortality by yourself because you can pass a test all by yourself. That's the purpose of a test. To do it alone. You cannot make it to heaven alone. Only Jesus has the authority to forgive you for your sins and restore you to immortality and remove your knowledge of evil. You have to choose between good and evil. You have to choose to follow Jesus or Lucifer. Just like the first two humans ever created were given a choice.

The Crucifixion

God provides a way for the mortal sinners to regain their immortality and live forever in Heaven. All they have to do is choose to obey God and try the best they can to avoid evil. It is impossible for anyone tainted by sin to be perfect. God knows everything and He knows who is truly sorry for their sins and who is not. God even knows if a person is tricked and calls Him by the wrong name because they are following one of Lucifer's false religions. God knows who truly chooses good over evil. Many people are tricked into doing evil by Lucifer. But God even knows who was tricked into doing evil and He takes everything into account. You cannot fool God. He knows all.

The reason Jesus has the authority to forgive and restore humanity is because he paid the penalty for our sins by dying when He was crucified by the Romans. The death of Jesus at the crucifixion was not a normal death like all other humans who died. The difference is Jesus was without sin when He died and all other humans were sinful when they died. That means Jesus did not deserve to die the final spiritual death and He did so anyway to accept your punishment. Your punishment is not the temporary death of your flesh. Your punishment is the removal of your soul from existence. When a person dies their dead soul is kept safe by Jesus in heaven until the first or second resurrection. If you are part of the first resurrection you will be restored to immortality and live in paradise on Earth for ever. If you are part of the second resurrection you will be burnt in the lake of fire and your soul will be removed from existence as if you were never born.

When Jesus Returns

When Jesus returns in the near future several things will happen. The bright light shining from Him will kill all the unrepentant sinful people who have rejected Him. All the repentant sinners will be transformed into immortal humans who are perfect and without sin or evil and they will be clothed with white robes. The graves of the dead who repented of their sins and accepted God as their Lord and Savior will open and they will be resurrected. Their dead souls that were kept safe by Jesus will be brought back to life and their flesh bodies will be restored. That is the first resurrection. The dead sinners who have not repented for their sins and who have rejected God will remain in their graves. Then all the redeemed people will return with Jesus to heaven for 1000 years and only the dead and Lucifer will remain on Earth.

After 1000 years Jesus and the angels and the humans will return from heaven to Earth. Then, all the unrepentant sinners who rejected God will be brought back to life so that they and Lucifer and the fallen angels can all be burned in a lake of fire and destroyed. That is the second resurrection. When they are destroyed in the lake of fire it will remove them from existence for ever. Then the Earth will be rebuilt and we will live on Earth for ever in paradise and evil will never exist again. There will be no more marriages or humans born after Jesus returns to Earth.

Two Different Christs: The Christ of the Holy Trinity and the Christ of Theosophy

The Christ (High Priest of Christianity), that is spoken of in the Bible is not the same Christ that is spoken of in Theosophy. The false religion of Theosophy tries to change who and what Jesus is. The two different Christs can be confusing because they have the same name and title. Lucifer is trying to misrepresent Jesus Christ because Lucifer wants you to think that God is not the highest authority in the universe.

Antichrist

The word Antichrist is ancient Greek and it means 'in the place of Christ'. That means whoever tells us that they have taken over the position of the Christ, is the Antichrist.

The Pope tells us in no uncertain terms that he takes the place of Jesus Christ here on Earth and he claims to be of higher authority than God.

The Bible gives us many criteria for who the Antichrist is and there is no mistaking that it is the Pope. The Pope admits it.

The New Jerusalem

It Will Not Be Built With Human Hands

God tells us in the Bible that the new Jerusalem will be transported to Earth from heaven. That may sound impossible but God did create the universe just by speaking.

The Holy Bible

Book of Revelation

{3:11} Behold, I come quickly: hold that fast which thou hast, that no man take thy crown.

{3:12} Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, [which is] **new Jerusalem, which cometh down out of heaven from my God**: and [I will write upon him] my new name.

{3:13} He that hath an ear, let him hear what the Spirit saith unto the churches.

The Holy Bible

Book of Revelation

{21:1} And I saw a new heaven and a new Earth: for the first heaven and **the first Earth were passed away**; and there was no more sea.

{21:2} **And I John saw the holy city, new Jerusalem, coming down from God out of heaven**, prepared as a bride adorned for her husband.

{21:3} And I heard a great voice out of heaven saying, Behold, the tabernacle of God [is] with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, [and be] their God.

{21:4} And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

{21:5} And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.

{21:6} And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely.

{21:7} He that overcometh shall inherit all things; and I will be his God, and he shall be my son.

{21:8} But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

Present Day Israel

Lucifer and his followers created the present day state of Israel as part of their plan to create a N.W.O. They use the Jewish race and the state of Israel to cause conflicts that help to achieve the goals of their strategies. They were very successful in using the Jews and Israel and soon a world conflict between Jews, Christians and Muslims will be provoked by the N.W.O. They have already positioned Muslims in all the European nations using open borders and mass migration policies. Over the decades since World War Two the N.W.O. have been maintaining conflict between the East and West so that current generations of Muslims will distrust and hate the west and Christianity.

God Does Not Want Israel and Lucifer Uses Israel to Cause Conflict

The Israel that exists today is not the land of God and it never will be the land of God.

We saw in the above topic that the new Jerusalem spoken of in the Book of Revelation will come from Heaven and not from the Jewish race building it here on Earth.

Only what God and Lucifer tell us about Israel matters. What does Lucifer tell us in Theosophy about Israel? In Theosophy we are told that world leaders should not have created the state of Israel and instead they should have tried to integrate Jews into the nations of the world. However, even that position is a deception because Theosophy also tells us the spiritual hierarchy (Lucifer and the fallen angels) are using the Jews as part of their strategy to build a N.W.O.

Another point of concern for many is the Tibetan's unwavering opposition to Zionism. He believed that the Jewish problem could be solved only by their integration into the world's nations, not by setting the Jews further apart in a separate nation. However, almost all the writing that developed from his collaboration with Alice Bailey was completed before the state of Israel was founded in 1948, and Israel has been a reality for sixty years. The situation is not helped by critical, hateful thinking towards either the Israeli citizens or their neighbours. Rather, all people of goodwill are obligated to bring loving understanding and compassion to all affected by the suffering resulting from the long-standing conflict in the Middle East. All who espouse spiritual values must approach the situation of the Middle East with a realistic appraisal of present circumstances and a focus on creative change leading to better conditions for all concerned. It is a difficult challenge but not an impossible one. And it is worth Every ounce of effort we can bring to bear upon a just resolution, for "When humanity has solved the Jewish problem (with the understanding cooperation of the Jew) and overcome ancient antipathies and hatreds, it will do so by fusing the problem in one vast humanitarian situation" (The Externalisation of the Hierarchy, p. 77).

Theosophy does not consider the land of Israel to be holy. Neither of the principal parties involved in the conflict say that Palestine is a holy land. Neither Jesus nor Lucifer claims that Palestine or Israel is a holy land.

The selfishness of the United States is also due to youth, but it will eventually yield to experience and to suffering; there is—fortunately for the soul of this great people—much suffering in store for the United States.

These Forces of Evil work through a triangle of evil, one point of which is to be found in the Zionist Movement in the United States, another in central Europe, and the third in Palestine. **Palestine is no longer a Holy Land and should not be so regarded.**

From this quote we can see the N.W.O. problem reaction solution strategy being described. The quote below tells us that Lucifer and the fallen angels are using Israel and the Jewish people as part of their plan.

Lucifer and the fallen angels and the Allies tell us that they are the moral authority in the universe and they are here to save humanity but they are the beings and people causing all of our problems. It is coercion.

I would point out here that the fourth energy, focussed in the Jewish problem, is definitely producing cleavage as a part of the divine plan. The Jews are instruments in the working out of the Plan for the production of certain syntheses and to bring humanity to certain realisations and decisions. A close study of this tabulation will bring you much of knowledge. However, it only expresses the present situation in this interim period between the old Piscean age which is passing and the new Aquarian age which is coming in. It depicts this present world cycle. The emphasis of the rays changes in connection with the last two types of energy expressions quite constantly, because they are symbolic (in this day and age) of the personality nature in its physical and emotional forms.

In this quote from Lucis Trust they tell us that there is a Jewish problem and it is being used to condition a response from humanity. They also tell us that the solution to their perceived Jewish problem is for humanity to unite and be one. There is no doubt they mean for humanity to unite under the rule of the N.W.O.

Concerning The Ageless Wisdom Writings On The Jewish People

Lucis Trust

This common origin, this karmic history shared by so many of the world's people today, has been lost to sight, and clearly this view which precedes documented history cannot be verified by science. But if one approaches this teaching intuitively, it can help to shed light on why **the Ageless Wisdom views the role of the Jews**, which constitute only a small percentage of the world's current population, **as so significant**.

It also helps to clarify why **the Jews, "as a whole"**, constitute the solar plexus of the planetary Logos; **their problem is being used today to focus, qualify and condition the world** feeling-nature **and the emotional reactions** of the sensitive nature **of humanity** and of the planetary Logos. Forget not that the Personality of our planetary Logos is not yet perfect, hence the fact that His body of manifestation, the planet, is not reckoned as being one of the sacred planets. **Through the Jewish people throughout the world, feeling—sympathetic or antagonistic, expressive of love or conditioned by hate—is being gathered to a focus in the planetary solar plexus centre, preparatory to a great and permanent change.** It is for this reason that I have said to some of my pupils that when humanity will have solved correctly the Jewish problem, and when it has been resolved in a humanitarian and sound manner, then the energy of the planetary solar plexus centre will have been raised to the heart and a great transmutation will have taken place" (The Externalisation of the Hierarchy, p. 87).

We would stress the Tibetan's statement, **"Through the Jewish people throughout the world, feeling...is being gathered..."**. This implies that the feeling nature of all human beings, not just those currently incarnated in Jewish bodies, is being stimulated through **their reaction to the problems centred in the situation of the Jews**. We have all had a hand in the creation of this problem over the millennia, and it is up to all people of goodwill to **solve it by** right thinking, loving attitudes, and an unwavering identification with the fact of the **one humanity**.

We can see from God's and Lucifer's own statements that there is no need to conquer the 'holy land' in God's name. The Jews are not God's people. They rejected God (Jesus) thousands of years ago and God rejected them as His chosen people and their land as a result.

The Bible Has Been Changed and We Don't Have the Original Manuscripts from the Authors

We Know Who Changed It, They Tell Us Who They Are and What They Changed

Any changes to the Bible are known. The people who changed the Bible are all very proud of their changes and they are very eager to point out what they changed and why they changed it.

The people who preserved the Bible are very proud of their preservation and they show us exactly what they preserved. We have thousands of copies of the original texts from over the centuries by people who follow God and are loyal to Him. It is easy to see the two different categories of Bible texts which are the category of changed Bibles and the category of unchanged Bibles.

God Never Intended To Have the Originals Available, He Uses Prophecy

If God wanted the original writings of the Bible to be preserved He would have preserved them. We don't need them. Besides, what would the skeptics say? How do you know those are the originals? God uses prophecy to prove the Bible is real.

Contradictions in the Bible

Many people are quick to point out what seem to be contradictions in the Bible. On close examination the basis of their arguments are either flawed or they simply misunderstand what the Bible is saying. It is an old Book which is actually a collection of Books. It had many authors and it was written over a period of hundreds of years. It's complex and if you are not a serious student you will not understand. Be an objective intelligent investigator if you want to find the truth. Common objections to the Bible are explained more in the Religion course.

Other Religions

There is only one true religion that is carried by only one church. It is God's true religion and it is carried by the Seventh Day Adventist Church. All other religions including Catholicism and the remaining Protestant Christian denominations are on Lucifer's side of the battle line whether they know it or not. Some deviate more than others from the Bible. That does not mean that the individuals that are part of those other religions are evil. The other religious systems are corrupted. If the individuals are corrupted it is their personal choice. Many people who are trying their best to know and follow Yahweh just don't know the truth yet so they follow a corrupt system.

The members of the Seventh Day Adventist Church are also only people just like you and they are exposed to lies from our world leaders and Lucifer. They are not perfect.

The Reformation and Protestants

There are many Christian denominations for at least two reasons. First, Lucifer tries to counterfeit Christianity so he created other versions of Christianity. Second, there was a reformation that resisted and overcame the rule of the Roman Catholic Church. The reformation happened in stages and people discovered and revealed the truth about God and the Bible a few topics at a time. John Wycliffe was a protestant leader that preached the authority of the Bible. Martin Luther preached salvation by grace. John Calvin preached freedom of conscience. Other leaders preached further topics. From the year 1370 until 1844 the followers of God restored the truth which was suppressed by Lucifer. The final restoration of the complete truth took place with the Seventh day Adventist church which began in 1844. The other denominations are still practicing today such as the Lutherans who followed Luther and the Calvinists who followed Calvin. The truth was not fully revealed at the time of those reformers so they didn't have the full truth. The SDA church does have the full truth and they are God's final church that will carry the truth until the return of Jesus.
