Prophecy Proves the Bible is from God

The Bible tells us that God uses prophecy to prove the Bible is truly from Him. We are in a situation where we are separated from God by our sinful state and we are always at risk of being deceived by Lucifer and the fallen angels. Prophecy is the only trustworthy method of proof for God to use. Producing miracles is of no value because Lucifer and the fallen angels are capable of elaborate spiritual deceptions. Telling us the future thousands of years before it happens is not something Lucifer or the fallen angels can do. All we have to do is check to see if the predictions came true and if the prophecies were written before the events happened.

The prophecies contain the fundamental concepts of Christianity. The remainder of the Bible that is not prophecy is connected to the fundamental concepts by meaning and literary devices. The prophecies also tell us the activities of Lucifer and the fallen angels before they knew it as their own ideas and plans.

When parts of the Bible are removed or extra parts are added to the Bible, the literary devices are broken and do not make sense anymore.

Regular Training is an introduction to the prophecies. The prophecies are explained in more detail in the Religion Course at Infowar School.

The Book of Daniel and the Book of Revelation Give Us the Prophetic Timeline

There are several books from the Bible which contain prophecies. We will look at the prophecies from the Book of Daniel from the Old Testament and the Book of Revelation from the New Testament and that will be sufficient to prove that the Bible is from God. The prophecies from both of those books work together to give us the timeline of human history before it happened from the sixth century B.C. until eternity. The Book of Daniel and the Book of Revelation both use the same symbolism and they both describe the same timelines and events. The Book of revelation adds more detail to the last 2000 years of the prophetic timeline.

The Prophecies Must Be Written Before the Date of the Events They Predict

To know if the prophecies were written before the events took place we need to check the date that the books of Daniel and Revelation were written. Not everyone agrees on the dates that the books were written. We have old copies of the Bible but there are no known original writings direct from the prophet's hand.

We can use the late dates given by the skeptics of the Bible and still prove the prophecies are true. We know the Bible was completed before the year 100A.D. The evidence shows that Daniel was written during the sixth century B.C. which is about 2500 years ago. Skeptics say that it was written hundreds of years later but it doesn't matter because the prophecies span such large periods of time. The Book of Daniel predicts events that span our time and not just ancient times.

The Book of Daniel gave us the N.W.O. Main Strategy before Lucifer knew he was going to create a N.W.O. Chapter 11 of the Book of Daniel tells us about the White Lodge and the Black Lodge and the deception the two lodges use to build the N.W.O. God calls the Black Lodge the king of the north and the White Lodge is called the king of the south in the Book of Daniel.

The prophecies from Daniel chapter 11 are enough to prove the Bible is from God and all parties agree: The Bible was written a long time before the year 1588 when the N.W.O. began. Also there is no reason to suspect that the Bible could be part of an elaborate deception used by Lucifer. The Bible was completed before Lucifer even knew he was going to use the strategy of creating a N.W.O.

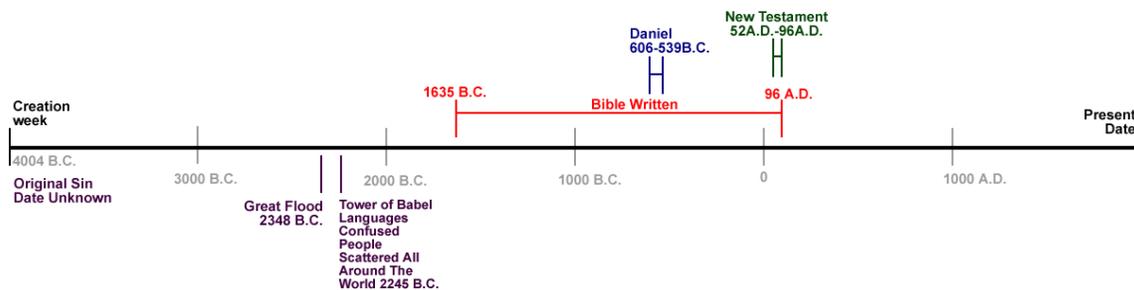

If that isn't enough proof you can also check the historical record and find that all the other earlier prophecies were also true and so are the prophecies from the other books of the Bible. But if you want a fast and easy way to prove the Bible is true then just use the prophecies from 1588 onwards from Daniel chapter 11 and Revelation chapters 12 to 18.

The Absolute Timeline of History Given By the Bible

The Bible gives us the entire timeline of history from the moment the universe was created until eternity. The universe was created 6000 years ago. We can study the timeline in segments.

Segments of the Absolute Timeline

Transfer of Knowledge before the Bible and Timeline of the Bible Being Written

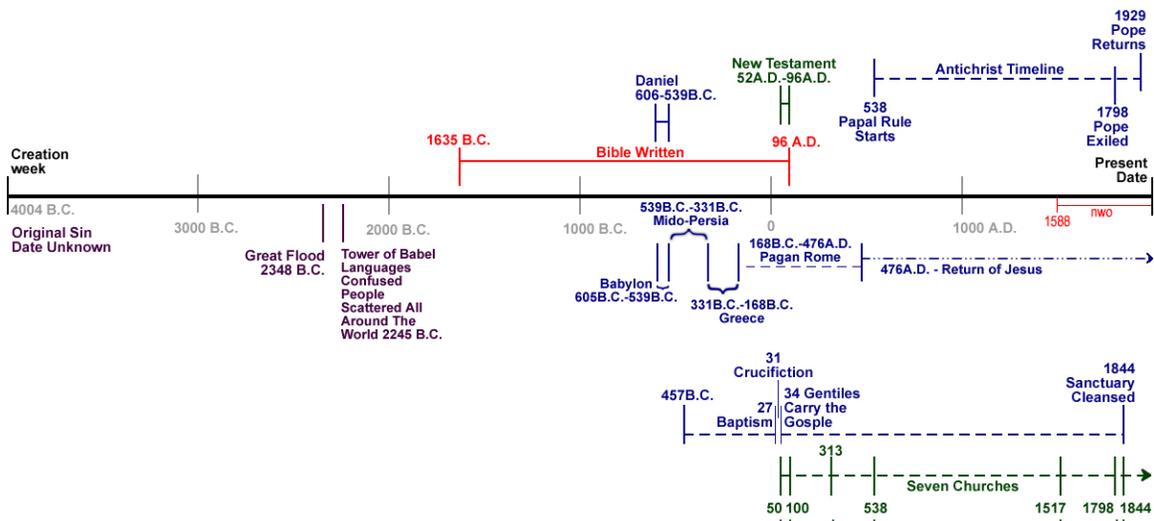

The Bible didn't need to be written from day one of creation week. People didn't need it until a little over 2000 years after creation week. After a long time people needed the Bible so they would not lose the story of God and creation and to know how God would restore us so we can live forever in paradise as He intended us to live. Let's look at the timeline to understand how the pieces fit together and find out why the Bible didn't need to be written from the time of creation.

1. God created the universe the angels and our planet with humans and the other life on Earth during creation week. God rested from His labors on day seven and spent time with His creations. The days of the week have not changed since creation. The seventh day is still the same day of the week. It's called Saturday in America at this point in time.
2. Adam and Eve were the first two humans created and Adam lived for 930 years. Some time after Adam and Eve ate the forbidden fruit, they could not talk to God face to face anymore because they were cut off from God by their sinful state of being. But being able to speak with the first two humans ever created, who are your parents or grandparents, would make sure God's message was known because they would tell you how they were created and everything God told them. Lucifer and the fallen angels were also there and did not hide themselves as they openly opposed God so that helped people see both sides of the story.
3. A person named Methuselah who talked with Adam for 243 years wrote the story Adam told him on two pillars. One pillar of stone and one pillar of brass. After Adam died at 930 years of age, people could still know the history of God by reading the pillars and there were still people alive who knew Adam and Eve personally and spoke with them so they could tell the story to others.
4. Noah was born about 130 years after Adam died but talked with the people who knew Adam for hundreds of years and Noah could read the two pillars.
5. 1656 years after God created the Earth (2348 B.C.), He destroyed it by flood because Lucifer had corrupted the humans so fully and completely except for Noah and his family. Lucifer had taken over the Earth at that point.
6. After the flood, humanity started over from Noah's family. Noah and his family knew the story of God and they told their children so the Bible was still not needed.
7. Within 103 years Lucifer had corrupted the small centralized population of Earth and had almost fully built the Tower of Babel in ancient Babylon. God had already told the people to spread out over the Earth but the people didn't listen and remained in Babylon. Because the people would not spread and fill the entire Earth God created many different languages and people couldn't communicate with each other anymore. The people migrated to different parts of the Earth where they could grow in population among people who spoke the same language and away from others they could not understand. Each group of people with their new language formed a nation with its own version of Lucifer's Babylonian religion. They use the father, mother, son system with different names such as Isis, Horis, Set because they spoke different languages. That is why there are so many similarities among ancient religions.
8. After approximately 500 years from the scattering of the people from Babylon and the tower of Babel, God started writing the Bible through His prophets that were inspired by the Holy Spirit. He had to because His story was not transmitted by anyone anymore by this time. It had been 2369 years since the creation of Earth. The different books of the Bible would be written over a time period of about 1700 years starting in 1635B.C. and ending in 96 AD.
9. God chose the Israelite tribes to carry His Bible and they did for about 1630 years until they rejected Jesus so God gave His message (the Bible) to the gentiles (non Jews) to carry. The Jews only carried the Old Testament because that was all that was written at that time before they rejected Jesus.

10. After Jesus was crucified and then rose from the dead and finally returned to heaven, God Inspired the gentiles to write the New Testament and the Bible was finally complete.

The Prophetic Timeline Matches the Timeline of Recorded History

Below is a timeline from the Bible that shows the history of the world. A large part of the historical timeline was written in the Bible as prophecy before it happened. The locations of the prophecies from the books of Daniel and Revelation are shown separately on the timeline. The timelines from all the prophecies form a composite timeline. When they are all combined together they give us many details about the time periods we are investigating. We can see that by the time we arrive at the N.W.O. part of the timeline there is information provided by all the prophecies. There is information about the Antichrist from the timeline given in Daniel chapter 7. There is also information from the seven time periods given in the first 11 chapters of Revelation. The N.W.O. begins in the fifth time period and extends into the sixth and seventh time periods.

The Prophetic Timeline of the New World Order from 1588 until the Return of Jesus

Once we plot the dates and events from the prophecies on a timeline, the clear picture emerges of the conflict between Lucifer and Jesus in our time.

Daniel Chapter 2

We begin the timeline with Daniel chapter 2 which gives us the plot of the four kingdoms Lucifer will use through history in his attempts to conquer humanity. The kingdoms in chronological order are: Babylon, Mido-Persia, Greece and Rome.

The Kingdom of Rome occupies the entire second half of the prophetic timeline and it evolves over time. The time when Rome is not considered a kingdom is also given to us by the prophecies. Those are the times represented by the mortally wounded beast from 1798 until 1929. Concealing the activities of Rome was part of the N.W.O. strategy. The time of the mortally wounded beast has passed and we are now living in the time of the same beast whose mortal wound is healed.

[The Holy Bible](#)

The Book of Revelation

{13:3} And I saw one of his heads as it were wounded to death; and **his deadly wound was healed**: and all the world wondered after the beast.

Daniel Chapter 7

The prophecy from Daniel chapter 7 gives us the characteristics and activities of the Antichrist. We are given six important dates:

1. 538
2. 898
3. 1618
4. 1738
5. 1798
6. 1929

The first five dates are given to us in three forms which are listed below.

1. Twelve hundred and sixty days
2. A time, times and the dividing of time
3. Forty and two months

Twelve hundred and sixty prophetic days is equal to 1260 literal years. All three forms of the first five dates begin and end with 538A.D. and 1798A.D.

A Time, Times and the Dividing Of Time

From the year 538 a time leads us to 898, a times leads us to 1618 and the dividing of times ends in 1798. This form of the 1260 day time period is used in the context of the Antichrist's church activities during the prophetic timeline.

The Cadaver Synod is one example of a Pope placing himself in God's role and acting as God. In the year 897 Pope Stephen VI dug up a dead person, who happened to be a former Pope himself, and then Pope Stephen VI tried and judged the dead Pope.

In the year 898 another Pope admitted their actions were not righteous and the judgment ruled against the dead Pope was nullified. God points to the date 898 where the Pope admits that he is not supposed to act as an Antichrist. The Pope is not God on Earth and the Pope does not represent Jesus of the Holy Trinity on Earth.

Soon after the Cadaver Synod was nullified another Pope overturned the nullification and reaffirmed the Cadaver Synod. From their own actions we can see that the Pope knows he is the Antichrist and he accepts and confirms his role as the Antichrist with full knowledge that it is contrary to God's law.

[Cadaver Synod](#)

Wikipedia

Probably around January 897, **Stephen VI ordered that the corpse of his predecessor Formosus be removed from its tomb and brought to the papal court for judgment.** With the corpse propped up on a throne, a deacon was appointed to answer for the deceased pontiff. Formosus was accused of transmigrating sees in violation of canon law, of perjury, and of serving as a bishop while actually a layman. Eventually, the corpse was found guilty. Liutprand of Cremona and other sources say that, after having the corpse stripped of its papal vestments, Stephen then cut off the three fingers of the right hand that it had used in life for blessings, next formally invalidating all of Formosus' acts and ordinations (including his ordination of Stephen VI as bishop of Anagni). The body was finally interred in a graveyard for foreigners, only to be dug up once again, tied to weights, and cast into the Tiber River.

In December 897 Pope Theodore II (897) convened a synod that annulled the Cadaver Synod, rehabilitated Formosus, and ordered that his body, which had been recovered from the Tiber, be reburied in Saint Peter's Basilica in pontifical vestments. **In 898, John IX (898–900) also nullified the Cadaver Synod,** convening one synod in Rome, and another in Ravenna. The two synods which affirmed the findings of Theodore II's synod, ordered the acts of the Cadaver Synod destroyed, excommunicated seven cardinals involved in the Cadaver Synod, and prohibited any future trial of a corpse.

However, Pope Sergius III (904–911), who as bishop had taken part in the Cadaver Synod as a co-judge, **overturned the rulings of** Theodore II and **John IX,** reaffirming Formosus's conviction, and had a laudatory epitaph inscribed on the tomb of Stephen VI.

The year 1618 is when the Thirty Years War began. The Thirty Years War was a conflict that took place between the Catholic Church and the Protestant Churches. It led to the Enlightenment Era during the early 1700's which led to the United Nations.

Forty and Two Months

From the year 538 forty months leads us to 1738 and two months leads us to 1798. This form of the 1260 days is used in the context of the Antichrists activities in the secret societies and his activities regarding the Protestant Churches in America. In the year 1738 three significant events took place. First, Pope Clement XII banned Catholics from joining Freemason Lodges. Second, The Holy Royal Arch was founded as a degree in Freemason Lodges. Third, John Wesley began the Methodist movement.

Daniel Chapters 8 And 9

The prophecies from Daniel chapters 8 and 9 give us the activities of Jesus and His people and an important date used for plotting the timeline from the Book of Revelation. We are given the following dates:

1. 457B.C.
2. 27A.D.
3. 31
4. 34
5. 1844

Revelation Chapters 1 to 11

There are seven time periods described in the first 11 chapters of Revelation. The seven time periods are described three times and each time more information is given to us. We are given information about God, God's people, Lucifer, and Lucifer's people.

The Seven Candlesticks

The seven candle sticks represent the condition of the Christian Church and the names and characteristics help us establish the seven time periods.

The Seven Seals

The seven seals add more information to the seven time periods. Each seal is opened at the beginning of a time period except for the seventh seal which is opened at the end of the seventh time period.

When the first seal is opened the information describes the first time period which is the same time period as the first candlestick. The same occurs for the second, third, fourth and fifth seals.

When the sixth seal is opened the information given describes the sixth and seventh time periods. Three events are given in the sixth seal which are the Great Lisbon Earthquake, the dark day of May 19, 1780 and the meteor shower of November 13, 1833. The sixth seal also gives us the event of 1840 when Ellen G. White and her family began attending Millerite meetings which would eventually lead to the Seventh Day Adventist Church.

The opening of the seventh seal is the return of Jesus to Earth and those events happen after the seventh time period of the seventh candlestick and do not fall within the time of the seventh candlestick. After Jesus returns there will be no seventh candlestick because there will be no Seventh Day Adventist Church and humanity will be in Heaven.

The Seven Trumpets

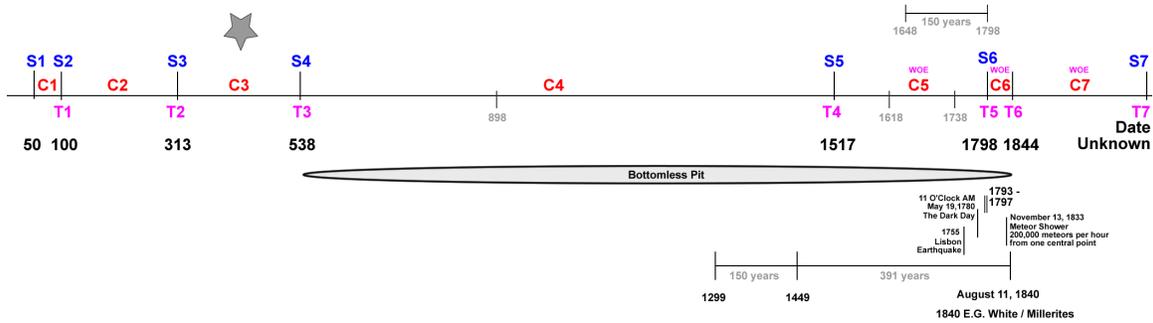

The seven trumpets add more information to the seven time periods of the seven candlesticks. The trumpets sound at the end of each time period and the information plotted begins to the left of the trumpets position on the timeline.

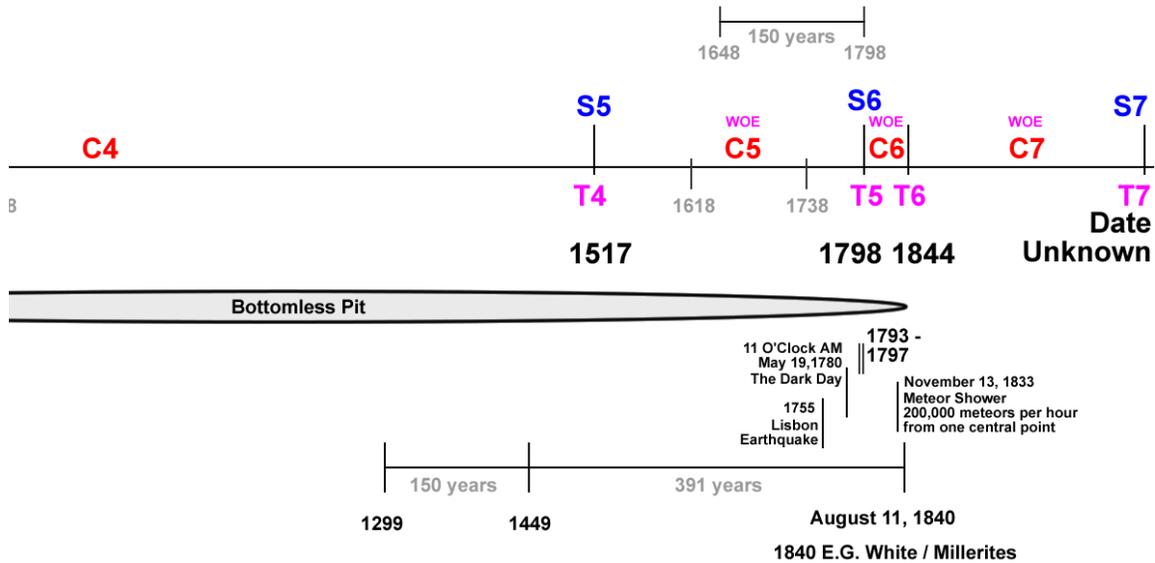

The fifth, sixth and seventh trumpets cover the time period of the N.W.O. and all three of those trumpets have a woe associated with them.

The fifth trumpet gives us part of the timeline of the land of Palestine and Israel and also the Enlightenment Era. The dates of the events described both span 150 years. The first 150 year time period is from 1299 until 1449 and the second 150 year period is from 1638 until 1798.

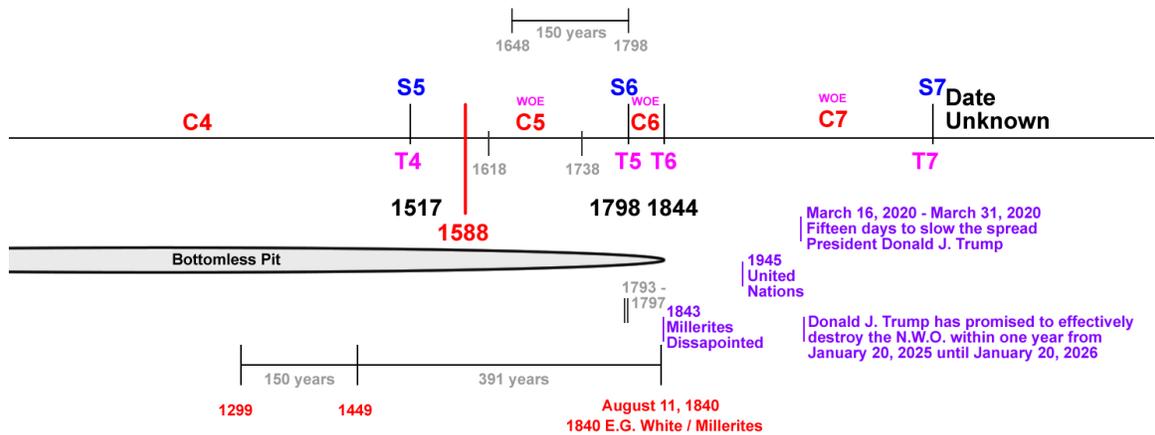

The sixth trumpet gives us another segment of the timeline of the land of Palestine and Israel. It gives us a time period that is 391 years long from 1449 until August 11, 1840. The sixth trumpet also gives us the time period from November 10, 1793 to June 1797 when France banned the Bible.

The picture below shows the positions of the seals and trumpets relative to the candlesticks with their dates on the timeline of history. The candlesticks are represented by the letter C and the seals are represented by the letter S and the trumpets are represented by the letter T.

The Prophetic Timeline of the New World Order

Daniel Chapter 11

Daniel chapter 11 gives us the N.W.O. Main Strategy. It describes two groups secretly working together which are symbolically represented by the king of the north and king of the south in the verses of Daniel chapter 11. The king of the north has religious characteristics and he represents the Black Lodge as described by Theosophy. The king of the south has secular characteristics and he represents the White Lodge as described by Theosophy. The prophecy tells us that the two lodges are at first opposed to each other but then join forces with the Black Lodge in command of the White Lodge.

Theosophy tells us that the Black Lodge has evil alien beings as its leadership with humans as part of its lower level members. Theosophy tells us the human members are certain members of the Jewish race, the Axis Powers from World War Two, Christianity and other lower level members.

Theosophy tells us that the White Lodge has Lucifer and the fallen angels as their leadership and human members who are the Allied Powers from World War Two, the United Nations and also the Freemasons. There are also other lower level groups of humans working with the White Lodge.

Through history we see these two groups oppose each other until the creation of Israel when both groups agree with each other. After the creation of Israel we see the Allied Powers under the command of the World Banks who are described as part of the Black Lodge.

Daniel Chapter 11 gives us the shape of modern day Israel which is not the same as the shape of ancient Israel. The prophecy tells us that the land where the capital cities of Edom, Moab and Ammon were located will not be part of the Israel that was created after WW2.

Daniel Chapter 12

One of the important dates given to us in Daniel chapter 12 is 1843. In the year 1843 the Millerites thought Jesus was going to return to Earth. They were disappointed. Some of those Millerites and Ellen G. White went on to form the Seventh Day Adventist Church in 1844.

Revelation Chapter 12

Revelation Chapter 12 describes the beginning of the N.W.O. It describes the parties involved in the conflict who are Lucifer and Jesus and their peoples. It describes how Lucifer's forces were defeated by the rocks of the shores that sank the Spanish armada and the continent of America where God's people fled. The prophecy also tells us that Lucifer and his people would follow God's people to America to try to destroy them.

Revelation Chapter 13

Revelation chapter 13 gives us information about the role of America in the N.W.O.

Verse 5 tells us that the Pope is involved in the secret societies and the Protestant Churches because the time period of forty and two months is used. The time period of forty and two months gives us context because it indicates Freemasonry, the Protestant Reformation and the Pope.

{13:5} And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty [and] two months.

Verse 8 tells us that the members of the secret societies are under the control of the Pope. The people who are not written in the book of life of the Lamb are Lucifer's people who are building the N.W.O. and many of them are part of secret societies.

{13:8} And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.

Verse 11 describes the new nation of America that is formally recognized by France in 1798. The prophecy tells us that America will have true Christian characteristics but it will act like Lucifer as well.

{13:11} And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

Verses 14 and 15 tell us that America will be instrumental in creating the United Nations and America will be instrumental in forcing the world to accept the United Nations as a global government. The United Nations is the image of the beast of the Pope.

{13:14} And deceiveth them that dwell on the earth by [the means of] those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

{13:15} And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

Verse 17 tells us about America's role in the COVID-19 pandemic.

{13:17} And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Revelation Chapter 14

Revelation chapter 14 describes the infowar against the N.W.O. Verse 3 tells us that a group of God's people will begin exposing Lucifer with new information about Lucifer's activities. Verse 4 tells us that they are people who truly follow God and they are not deceived by Lucifer. They know and testify that the N.W.O. is Lucifer's creation and they swear that they live for the glory of God and all glory goes to God.

{14:3} And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred [and] forty [and] four thousand, which were redeemed from the earth.

{14:4} These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, [being] the firstfruits unto God and to the Lamb.

Verses 15 to 20 tell us that the infowar will expose the N.W.O. and bury it in its own lies.

{14:15} And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe.

{14:20} And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand [and] six hundred furlongs.

Revelation Chapter 15

Revelation chapter 15 describes a scene in Heaven.

Revelation Chapter 16

Chapter 16 describes the seven plagues that will destroy the N.W.O. The first plague describes how the N.W.O. members in America will become offensive and objectionable and they will suffer a defeat that will destroy them in due time.

{16:1} And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth. {16:2} And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and [upon] them which worshipped his image.

The sixth plague describes how Lucifer tries to summon his forces to the final battle against humanity. This prophecy is part of the timeline that represents our present time.

Verse 12 tells us that Theosophy will be exposed as a deception.

{16:12} And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared.

{16:13} And I saw three unclean spirits like frogs [come] out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. {16:14} For they are the spirits of devils, working miracles, [which] go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.

Verse 15 tells us that when Lucifer has his forces assembled for the final battle against humanity the seventh plague will expose the lies of the N.W.O. and Lucifer's forces will be defeated.

{16:15} Behold, I come as a thief. Blessed [is] he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame. {16:16} And he gathered them together into a place called in the Hebrew tongue Armageddon. {16:17} And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done.

Revelation Chapter 17

Revelation chapter 17 tells us that the N.W.O. is a continuation of the Holy Roman Empire. The prophecy tells us that the Pope was exiled by his own Freemasons as a deception. The time of the Pope's secret rule is represented by the beast with the mortal wound from 1798 until 1929. The date 1929 is when the mortal wound is healed and the Pope becomes the ruler of his kingdom again. Placing the Pope into exile was part of Lucifer's plan because the Protestant Reformation had identified the Pope as the Antichrist. After the removal of the Pope, Lucifer used secularism to do the work of the Pope with the United Nations in the place of the Pope as the image of the beast.

{17:8} The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

Verses 12 to 14 tell us the ten horns represent the Western European nations in our time which are currently the European Union. The verses tell us that the European Union serves Lucifer and they will be overcome by Jesus. One hour is the time period from March 16, 2020 until March 31, 2020.

{17:12} And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

{17:13} These have one mind, and shall give their power and strength unto the beast.

{17:14} These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him [are] called, and chosen, and faithful.

Verses 16 and 17 tell us the Western European nations will turn against the N.W.O. and destroy the N.W.O. using the truth of God's Word from the Holy Bible. They will expose the N.W.O. and take away its power.

{17:16} And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

{17:17} For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.

Revelation Chapter 18

Revelation chapter 18 verse 8 tells us that the seven plagues from chapter 16 will occur over the course of one year. One prophetic day is equal to one literal year. President Donald J. Trump has promised to effectively destroy the N.W.O. within one year from January 20, 2025 until January 20, 2026. The policy that will be enacted during that time will permanently destroy the N.W.O.

{18:8} Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong [is] the Lord God who judgeth her.

Verse 10 tells us that judgment will be passed on the N.W.O. over the course of one hour. One prophetic hour is equal to fifteen days. Fifteen days to slow the spread was a period of time during the COVID-19 Pandemic where all the rulers of the world submitted to the United Nations. Those fifteen days caused the world to notice the N.W.O.

Fifteen days to slow the spread was announced by President Donald J. Trump on March 16, 2020 and the fifteen days ended March 31, 2020.

{18:10} Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come.
