The [religion course](#) is under construction but you can still find all the information in the documentaries and other videos in the Infowar School Galleries. The information from the videos will be presented in written form the next time the religion course is updated. In order to have all the information available as soon as possible some of the courses are only video based to begin.

Infowar School is sorry for any inconvenience to those who have trouble learning only by video. It is not as easy to see all the connections between the topics and how they fit into the N.W.O. strategy without written explanations and directions. However, reading Basic Training and Regular Training will explain a lot about the religion course because they are focused on religion and how it fits into the N.W.O. plan. Then watching the videos will add more detail to the topics covered in those training courses.

[Proof the Bible is real](#)

These documentaries explain some of the prophecies that prove the Bible is true. God tells us He uses prophecy to prove the Bible is true because it is something that can't be faked by Satan and the fallen spirits.
